

Daily Activities Report Feb 8th

Cst Seb Lemay

- Forwarded L1 updates from INTERSECT to Ottawa Security Network (OSN) - OSN is comprised of security directors and managers mainly in Downtown Core
- Received phone call from [REDACTED] asking about road blocks on George St - While looking for answer, heard over air officer asking same question to NCRCC and answer provided to follow up with City
- Received email from community member on George St upset with demonstration - Replied back outlining recent OPS enforcement efforts
- Virtual meeting coordinated by Councillor Fleury - Market BIA, Rideau BIA, Rideau Centre amongst others on call.
- Issues: Some officers observed "blatantly" ignoring people carrying jerrycans has led some to question the value of calling in sightings of jerrycans; Rideau/Sussex again brought up with example that OFD had difficulty accessing Chateau Laurier for a fire alarm; Biker Church @ 155 Carillon in Vanier has been causing issues by openly supporting/inviting demonstrators. Intel shared of upcoming event on Feb.12th, 19:00hrs.
- Received email from Vanier [REDACTED] re: business close to Coventry concerned with demonstrators behavior - DFS #22-00338 submitted for proactive patrols and TTPA enforcement
- OFD access to chateau Laurier [REDACTED] Firefighters had to park at intersection and run over.
- Some officers observed not seizing jerrycans erodes trust in police. Community giving up on calling and reporting. [REDACTED]
- Biker Church welcomes truckers Saturday at 6pm, Proactive outreach (McArthur). Business are closing for fear of retaliation, but do not trust/want to speak with police [REDACTED]
